

ABS-Lock II Steel Cover

Stainless steel protective cap for our ABS-Lock I+II anchorage solution

Use one of our high-quality ABS-Lock II Steel Cover caps to hide an ABS-Lock II-B or ABS-Lock II-ST sleeve in style. This stainless steel cap hides the hole in the wall, protects the sleeve - and closes automatically, if installed on a wall.

- Protective cap for our ABS-Lock II model
- High-quality stainless steel material
- Ø 40mm
- Closes automatically, if installed on a wall
